

JOIN US AND STAND FOR FREEDOM!

Sign this petition urging our local leaders to defend our constitutional right to life, liberty, and the pursuit of happiness from being canceled by the Governor's endless emergencies.

*** BECAUSE ***

- The time to save your freedoms and rescue our communities is **NOW**.
- The emergencies will **NEVER** end unless we take a stand.
- The Governor doesn't have the power to **CANCEL** the U.S. Constitution.
- Local Government **CAN** stop Governor Brown's overreach.
- What happens next time is **up to YOU!**
