Petitioning Instructions

1. Print petitions at www.RestoreOregonNOW.org/sff
 - a. Any person or business who wishes to circulate petitions can print their own on our website.
 - b. Petitions should be:
 - i. Printed on standard white 8.5 x 11” paper.
 - ii. Print the Cover Sheet on one side of each sheet, and
 - iii. Print the Signature Page on the other side of each sheet.
 - c. Because this is not an Initiative Petition (or Recall Petition), it is acceptable to leave the petitions in businesses.
 - i. Paid employees of that business CAN witness signatures, though
 - ii. Signatures are NOT REQUIRED to be witnessed.
 - d. We do not need a circulator’s signature, but it is helpful if you write your name at the bottom prior to returning the completed paper petitions to us via email (see below), in the event we have any questions.
2. Once petition is complete, submit the completed petition in PDF format to the Restore Oregon NOW Team at Petition@RestoreOregonNOW.org
 - a. For those with scanners, please scan the petition(s) to a PDF file and email them as an attachment.
 - b. For those WITHOUT scanners, an excellent solution is “Adobe Scan” which can be found in the Google and Apple app stores. (It is a free app and very user friendly.)
3. The ePetition is also available on our website at http://RestoreOregonNOW.org/sff_petition
 - i. With the ePetition, the submitted petition is emailed directly to the Restore Oregon NOW team, with no further action needed on your part.
 - ii. Please feel free to share the ePetition link on your personal social media pages, in any Facebook groups that you might be a part of, via text and/or email to your friends, family, and colleagues, etc.
